

WHITLEY COUNTY COMMISSIONERS

April 22, 2024

The Whitley County Commissioners met in special session Monday, April 22, 2024, at 2:00 PM in the Commissioner's Meeting Room located on the first floor of the Whitley County Government Center. Commissioners in attendance were Chair Chad Banks and Vice Chair Rob Schuman, with Commissioner Theresa Baysinger absent. Others in attendance were Auditor Tiffany Deakins, Highway Director Ryan Getts and County Engineer Brad Allen.

ROW PERMIT: Highway Director Ryan Getts explained that a right of way permit was submitted to be reviewed and it was time sensitive with there being five Mondays in the month it put 3-weeks between meetings, so the applicant asked for this to be reviewed before the May 6th meeting date. The permit is for Woll Farms to have Spaw Services make an open cut for tile work on 350 W near Old Trail Road. This will help with drainage issues and connect to County tile. Engineer Brad Allen had no further comment on the request. Commissioner Schuman made a motion to approve the request as presented, seconded by Banks and passed with a 2/0 vote.

There being no further business and no further questions or comments from the public, Chair Banks adjourned the meeting at 2:04 PM.
